The expert warm-up

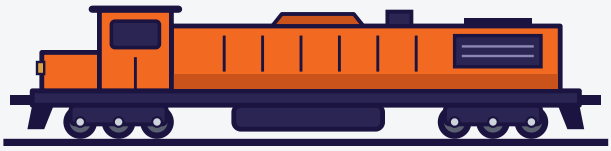

Steam, diesel, electric... too easy! You've just picked up a book for ***real*** train fans and anyone who wants to become one.

Are you ready to test your railway brain? Don't worry if a puzzle trips you up. Some of these challenges will keep even seasoned railfans guessing!

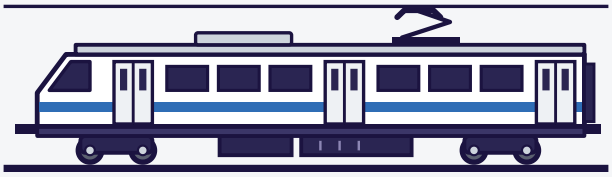

1 LOCOMOTIVE... OR NOT?

Not everything that moves on rails is a locomotive. Find the **THREE** actual locomotives.

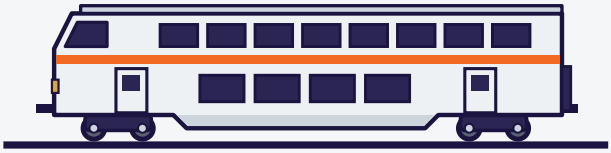

A ☐

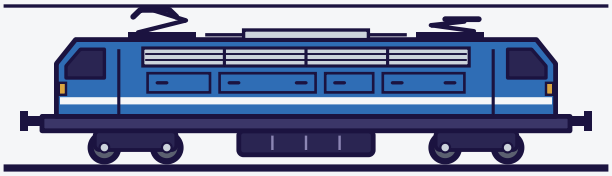

B ☐

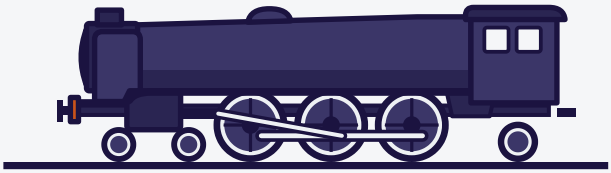

C ☐

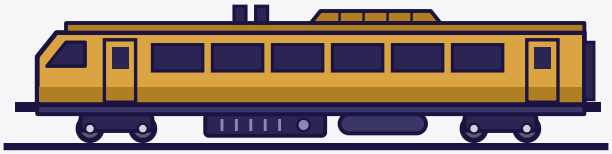

D ☐

E ☐

F ☐

2 WHICH ONE IS FAKE?

One railway job or train name in each group is fake. Find it and cross it out. Some real ones might surprise you!

ROUND 1 **Which one isn't a railway job, past or present?**

Brakeman	Fireman	Switchman	Caveman	Signalman	Trackman

ROUND 2 **Which train name did we make up?**

California Zephyr	Kangaroo Express	TGV	Eurostar
Shinkansen	Shanghai Maglev	Panda Express
